

DEPUTIES

INDIE ROCK – PARIS

New single « Champion » (February 5, 2016)

Third EP (autumn 2016)

« Play fast and have fun ! » that could be the motto of DEPUTIES. Since their start in 2011, the four Parisians have combined pop melodies and rock rhythms with their infectious energy. Their spirit ? Imaging partying in Paris during summer time, mojito glasses in hand.

Hedonistic during day time, DEPUTIES give it all on stage. Not really the type to look at their shoes, the four Parisians bet on their **energy** and **refreshing sound** to catch the crowd and it works!

In 2016 Sharif (singer), Thomas (guitar), Richard (bass) and Baptiste (drums) are promising new songs, a crazy tour, and a much-awaited third EP. No doubt that in the meantime they won't forget to hold their eternal promise: **to make the girls dance!**
